PERSONAL STATEMENT

I'm 17, studying Business, Marketing and Sport at Wilberforce College Sixth Form. I've designed and built the brand identity, marketing and websites for three live businesses, Fairburt Removals & House Clearance, Burtyco Logistics and my own business, JB Tech Help, and founded a nutrition business, Nutrivance, before that. I'm looking for a marketing work experience placement required for my course, with the aim of moving into a paid marketing role.
